SPECIAL THANKS!

Thank you so much for coming to watch our 10 Year Anniversary Show! It means the world to me to be able to share with you the talent and dedication of our wonderful TVD students!

I would like to thank every single individual, teachers, students & parents, who have helped put this performance together. There is simply not enough room to name everyone's names here, but you know who you are and I am so so grateful for all of your help and contributions!

I owe so much thanks to our amazing teachers / choreographers Mia Charlton and Jade Fiori for all their hard work, creativity and enthusiasm this term. You make my life so much easier and are both a joy to work with! And also, to our teaching assistants, Katie, Elizabeth, Maisie, Isabella, Abigail, Philippa & Alessia.

Lastly, thanks to my family, Pete & George! Without your help, support and encouragement none of this would be possible!

I cannot believe that our our little school, that started just over 10 years ago, with 45 students has grown into such an amazing dance community and I thank you all for your continued support. *Miss Hannah*
