A NOTE OF THANKS

Thank you for attending our dance concert!

It means so much to me to share the blossoming talent and the remarkable dedication of our wonderful TVD students with you, demonstrating the culmination of their hard work and the joy they find in performing!

This performance would not have been possible without the incredible efforts of our teachers, students, and parents. From the students' hard work in rehearsals and practice, to the parents' dedicated assistance with costumes and dress and technical rehearsals, and the unwavering support of our backstage volunteers, everyone played a crucial role in bringing this production to the stage. While we cannot name everyone individually, please know that all of your contributions, in every form, are deeply valued.

I would like to offer my utmost thanks to our amazing teachers and choreographers, Mia Charlton and Jade Fiori, for their incredible hard work, beautiful creativity, and wonderful enthusiasm. Their support and collaboration are such a joy, and I am deeply grateful for their commitment, their talent, and the positive energy they bring to our dance community.

A huge thank you also goes to our amazing teaching assistants: Katie, Elizabeth, Beth, Maisie, and Ellie! Their assistance in classes and their fantastic work in preparing our younger students for their performance has been absolutely wonderful. We are so grateful for their energy, enthusiasm, and the positive impact they have on our students.

Lastly, I extend my deepest thanks to my enduring family, Pete and George. Without their help, support, and encouragement, this would not be possible.

Thank you all for your continued support.

Sincerely,

Miss Hannah
